

Curriculum Vitae – J. Mohandoss

Name: **J. MOHANDOSS, M.Sc., M.Phil., M.Ed.**
Address: LECTURER S.S, PG & Research Department of
Botany Ramakrishna Mission Vivekananda
College
Chennai 600 004, India.

Phone: 91 44 2462 0035 Extn : 32
Mobile: 91 9486686897
e-mail: mhndss_j@yahoo.co.in

PERSONAL INFORMATION

Date of birth: July 12, 1968
Nationality: Indian

EDUCATION

M.Phil., (Botany)	1991	Bharathidasan University
M.Ed.,	1999	Annamalai Unuversity
M.Sc., Botany	1990	Bharathidasan University
B.Sc., Botany	1988	Bharathidasan University

TEACHING EXPERIENCE

2000 JULY – till date: PG & Research Department of Botany, Ramakrishna Mission Vivekananda College, Chennai 600 004.

RESEARCH GRANTS (RS. 65,000/-)

2006-2008 – Principal Investigator, Minor Research Project, University Grants Commission, **Studies on fungal endophytes of *Mangifera indica* L.**

PAPERS ABSTRACTED IN PROCEEDINGS OF SYMPOSIA/SEMINARS

- 1 Mohandoss, J., Suryanarayanan, T.S. and Ravishankar J.P. (2005) Seasonal Variation in the occurrence of Foliar Endophytes of *Ziziphus xylopyrus*. National Seminar on Recent Advances in Mycolgy, Karnataka, India.
- 2 Mohandoss, J. and Suryanarayanan, T.S. (2006). Possible role of foliar endophytes in litter degradation. National conference on Recent Trends in Mycological Research, Pudukottai, India.
- 3 Mohandoss, J. and Suryanarayanan, T.S. (2006). Effect of fungicide treatment on the occurrence of foliar endophytes of *Mangifera indica* L. National Seminar on Fungal Biodiversity, Biotechnology and Bioinformatics, Bangalore, India.
- 4 Mohandoss, J., Ravishankar J.P., and Suryanarayanan, T.S. (2007) Extracellular tannase from endophytic fungi. 2nd Asian Congress of Mycolgy and Plant Pathology, Hyderabad, India.

PUBLICATIONS

1. Mohan Doss, J and Suryanarayanan, T. S. (2008) Effect of fungicide treatment on foliar endophyte diversity in mango. (communicated to Sydowia)
