PROSPECTUS: 2010-2011

The advent of bhagavan Sri Ramakrishna Paramahansa ushered in the spiritual renaissance in India. Swami Vivekananda, the illustrious disciple of Sri Ramakrishna, gave the initial impetus to it by establishing the Ramakrishna Mission in 1897. The aim of Ramakrishna Mission is 'for the liberation of oneself and for the good of others'. The Mission is striving to realize its aim through its 171 centers in India and abroad.

Ramakrishna Mission Vivekananda College occupies a place of prominence among the educational activities of the Mission. It was formally opened on 21 June 1946 to cope up with the demand for admission; an Evening College offering various programmes under unaided pattern was opened in 1974.

The college, affiliated to the University of Madras, offers instruction in English Medium and admits only men students. The college has been accredited by the National Assessment and Accreditation Council. The UGC granted autonomy to the college from the academic year 2004-2005 for all the courses affiliated to the University of Madras.

The College has earned a name for itself in the field of higher education. It offers the following UG and PG programmes under autonomous mode:

Computer and Science Laboratories

The college has 4 computer laboratories (one for PG, two for Computer Science UG and one for Commerce UG) and a microprocessor lab, fully equipped with latest hardware with all accessories and licensed software.

The Biochemistry major laboratory, Allied Chemistry laboratory and Allied Zoology laboratory are all provided with modern equipments and infrastructural facilities.

Internet

The college provides FREE INTERNET facility for all the students.

Library

The college library houses a good number of latest books and current journals, which are available to students for reference and borrowing. A notable feature is that the library is updated every year. A reading room is provided for the students to go through the daily newspapers, journals, and business magazines. Presently the library is being computerized.

Faculty

The college has a dedicated faculty that is tuned to the definition given by Swami Vivekananda “the greatness of a teacher consists in the simplicity of the language, which is the most expressive”. Faculty members are well qualified and have experience both in academics and in

industry. A good number of Chartered Accounts, Cost Accountants, Company Secretaries, Management Accountants, and Lawyers are in faculty list, which ensures a perfect blend of theory and practice in teaching. In addition to this, quite often guest lectures are arranged by inviting experts from various fields to present the latest trends in their subjects. There is a spacious, fully air-conditioned auditorium for the purpose, with multi-media projector.

Sports and Physical Education

Students are encouraged to participate in games like cricket, tennis, table tennis, badminton, carrom, and chess. Exclusive facilities for indoor games and world standard cricket ground are available within the college campus.

A gymnasium with state-of-the-art fitness equipments is provided for the use of the student, in line with Swami Vivekananda's advice to have "muscles of iron and nerves of steel". Students participate in the inter-collegiate tournaments and win prizes and medals.

Extension Activities

The college provides extension activities like NCC, NSS, YRC, and Rotaract. Students are expected to participate in at least any one of them. Our NCC students participate in the Annual NCC inter-collegiate tournaments and perform well.

Value Based Education

'Value Based Education' is offered to the final year UG and PG students of the college. Weekly religion classes and Viveka Study Circle are the forums through which the students are taught the Ramakrishna Vivekananda Philosophy. An important feature of the college is the Friday Religion classes, in which students perform arati, chant Vedic hymns, sing bhajans and listen to talks on the life and teachings of Sri Ramakrishna, Holy Mother Sri Sarada Devi, Swami Vivekananda, and Swami Ramakrishnananda.

Students also participate in the annual Swami Vivekananda Jayanthi Celebration competitions where attractive prizes are offered to the participants.

Hostel Facilities

The college has a good and hygienic hostel located in a peaceful environment. Quality food is served at a very affordable cost, and a good ambience for dedicated learning is provided. The morning and evening prayer sessions conducted at the hostel shrine take care of the spiritual well-being of the hostel inmates. Admission to the hostel is to be sought for through a separate application.

Placement Guidance

The graduates of Ramakrishna Mission Vivekananda College are much sought after by Corporations, HR Consultants and Placement Agencies, for their Academic excellence and communication skills. Our students have been placed in good positions in reputed organizations. Further, a sizable number of students pursue higher education in foreign countries and get placed there.

Ragging of any kind is strictly prohibited and punishable. Students indulging in ragging would be expelled from the college immediately.

Students can make a written complaint on any sort of ragging and lodge it in the 'black box' kept in the Principal's office.

Real Education

- ◆ *Education is the manifestation of the perfection already in man.*
- ◆ *Education is not the amount of information that is put into your brain and runs riot there undigested all your life. We must have life-building, man-making, character-making, assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library.*
